

Performing a Search:

You may search the platform using a standard keyword search, using the navigation pane on the left side of the page or by going to the Advanced Search (Search button at the top of the page).

SEARCHING:

A search by typing a word or words into the search box at the top of the page will return various results that are shown on the right of the page. You will see above the thumbnails how many clips or full length programs have been found based on the search.

The screenshot shows the top of the McIntyre Media website. At the top is a red banner with a white maple leaf and the text "ON-CORE CORE CURRICULUM ON-DEMAND". Below the banner is a search bar containing the text "first nations" and a magnifying glass icon. To the right of the search bar is a "Home" link. Below the search bar is a navigation pane on the left with the following sections:
